

Quick fixes for keen readers with easy-read features for less confident readers

GREAT POTENTIAL AS CLASS, GROUP OR PERSONAL READS

Novels 8-12

Brilliant short novels (5000 words approx) by some of the best children's authors today, packed with easy-read features. The books are full of guided reading opportunities and are ideal class novels that all can enjoy. Explore point of view in the fractured fairytales, for example, comedy in Andy Stanton novels, or the harder choices in life in Michael Morpurgo titles.

- These books are punchy, with accessible word-lengths supplemented by plenty of chapter breaks to provide rest stops for readers who have not yet built reading stamina (while cliff-hangers incentivise them to return!)
- Support struggling students with a range of accessibility features, motivate reluctant readers with clever high-low editing and challenge higher achievers as bitesize speed-reads.
