### Feely Tonks

**ONLY  
£34**

Interest Age 7-12

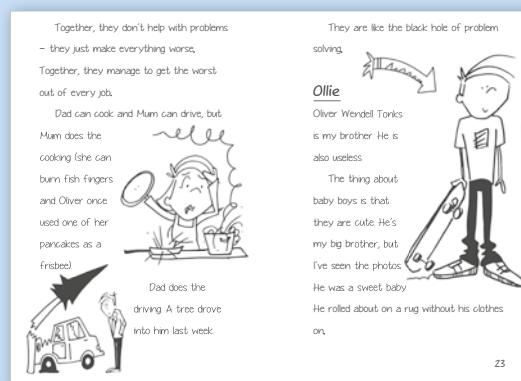

Reading Age 8-9

Perfect for girls who are not in the habit of reading. Introducing our heroine, the mercilessly honest Feely (Phoebe) Tonks. Feely seems to be permanently annoyed at the world and lives with her 'totally useless' Mum and Dad – she says they're worse than just having a single parent. And then there's Feely's older brother Oliver: he's too big to live in their small house, and his feet smell.

- Written by Feely as a series of diary entries, these fresh, irreverent books are more accessible than mainstream girl reads.
- Illustrated throughout, these books ooze personality through the strong, funny central character with storylines that children will relate to.
