SPECIAL OFFERS ON TRIED AND TESTED BOOKS PERFECT FOR EAL LEARNERS

Thunderbolts

ONLY
£130

Interest Age 7-14

Reading Age 5-7

Supporting EAL students with very little English, Thunderbolts Set One books do not have any words, allowing reluctant and struggling readers to concentrate on the narrative. The Set One books are also valuable as starting points for discussion and creative work. Set Two introduces a very limited number of words on each page, with Sets Three and Four offering a further degree of progression. In all cases the texts focus on high frequency vocabulary, with all words being phonically decodable wherever possible.

- As with the Trailblazers series, these books combine a non-fiction section with a fiction story on the same topic.
- Workbooks - support progression and the Thunderbolts reading books contain worksheets specific to each title, as well as detailed teacher's notes and advice on working with the resources.
